### Required Information

The Nations TV Channel will be broadcast on ASIASAT which reaches 65 countries in Asia, North parts of Africa and the Middle East.

Initially our focused countries would be Pakistan, Afghanistan and Iran. They all are Islamic republic countries. Though our transmission will be telecasted in almost 65 countries. The above three mentioned countries would be privileged to watch the transmission in their national languages through proper dubbing.

According to the Census conducted by BBC and Broadcasting board of Governors the approximate number of households this channel would be reaching in Pakistan, Afghanistan and Iran are as follows:

Pakistan: **32.21 million**

Afghanistan: **10 million**

Iran: **20 million**

In Pakistan nearly 76.2% people watch television. In Afghanistan 64.0% and 40% Iranians are fond of watching TV channels via satellite.

As we are determined to telecast our transmission in Afghanistan and Iran in their own native languages which will be dubbed, we are having a competent team which includes interpreters who understands and speak Pashto and Farsi fluently. Whereas Urdu is understood all over Pakistan.

Persons responsible for the Pashto dubbing:

- 1: Kamran Ayub
- 2: Mohammed Karaim
- 3: Murad
- 4: Suleman Gill

Persons Responsible for the Farsi dubbing:

- 1: Ghanzafar Bhatti
- 2: Kanwal Patras

Persons Responsible for the Urdu dubbing:

- 1: Siamon Amanat
- 2: Mehboob Munawar
